

AMENDMENTS TO THE DRAWINGS:

A replacement drawing is submitted for Figure 3 removing the reference character 3 denoting the housing at the lower left hand side of the drawing.

REMARKS

The application has been amended to place it in condition for allowance at the time of the next official Action.

A replacement drawing is submitted for Figure 3 removing the reference character 3 denoting the housing at the lower left hand side of the drawing. Such an amendment clarifies that the housing is denoted by reference numeral 2 as seen in Figure 4, for example, while reference numeral 3 designates the container inside the housing as further seen in Figure 4. Such an amendment is consistent with the written portion of the application as filed (see page 3, lines 10-20) and does not introduce new matter. The above change is the only change and is believed sufficient to address the drawing objection noted in the Official Action.

In view of the present amendment and the foregoing remarks and the amendment and remarks submitted on January 23, 2009, it is believed that the present application has been placed in condition for allowance. Reconsideration and allowance are respectfully requested.

Of course, if any further point needs attention, the Examiner has only to call the undersigned, whereupon whatever is needed will be done at once.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any

overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
